

Assessment Rubric

Assessment Activity: Cancer Biology GIDP Written/Oral Comprehensive Exam

Student Name:

Date:

Dissertation Committee Member:

Directions: Evaluate this student's written proposal and oral defense of the research with a score between 1 (excellent) and 5 (needs improvement) for each of the criteria described below. Below each score and statement, briefly comment on the rationale if your score is less than 1. Turn in your completed rubric to the committee chair before leaving the exam.

Score (1=best, 5=worst)

	Score	Comments
